Hello,

For docket 25-332 , I get the following error:when I click to view the docket: "**No case summary data was found for case '25-332'.**"

Qyron at the Pro Se Cases desk at CA2 says that this appears to be an issue with PACER as he can see the docket but I cannot (user ariteman / ari@teman.com).

Are you please able to fix it?

Good morning,

Unfortunately, PACER is unable to assist you with this. You will have to contact the court's filing help desk.

For court contact information, go to <http://www.pacer.gov> and click "File A Case".

Then click "Court CM/ECF Lookup".

You can then choose the court you need to contact.

Thank you,

Matthew

Good morning,

Unfortunately, PACER cannot assist with this issue, as we are also unable to see the case.

That is a problem with the court's ACMS (Automatic Case Management System), database, not PACER.
